

COALITION EVALUATION SERVICES

Take advantage of CADCA's Evaluation and Research experts by choosing us to manage and leverage your coalition's data. Let our team share best data collection practices, help analyze your data and develop resources for your coalition.

Why Choose Us?

Proven Expertise In:

- ✓ Serving as the formal coalition evaluator
- ✓ Helping represent your coalition to stakeholders and partners
- ✓ Analyzing data and serving as your data repository
- ✓ Providing evaluation training for coalition members
- ✓ Conducting formal site visits
- ✓ Providing evaluation and research resources

CADCA Evaluation Services

Assessment

Conduct an annual assessment to identify the coalition's "state of evaluation"

Action Plan

Use the assessment to establish goals and an action plan

Evaluation Plan

Develop a coalition-specific evaluation plan incorporating data management and evaluation communication

Evaluation Reports

Create a yearly report with supporting communication resources

Training

- Map data to the coalition logic model
- Conduct a community assessment of data
- Create a data management plan
- Create an evaluation communication plan
