Dear Senator Grassley and Senator Feinstein:

On behalf of Community Anti-Drug Coalitions of America's (CADCA) 5,000 coalition members, I want to thank you both for your outstanding leadership in sponsoring legislation to amend the Controlled Substances Act to modify the definition of counterfeit substance, and for other purposes. This bill would expand the definition of "counterfeit substance" to include illicit pills laced with fentanyl, to raise awareness regarding counterfeit pills and to require the Drug Enforcement Administration and the Office of National Drug Control Policy to submit a report to Congress about the scope of seizures, investigations, prosecutions and public awareness of counterfeit drugs.

This legislation will have an impact on the ability of our nation's youth to access these counterfeit pills as well as raise awareness about the dangers of using them. CADCA strongly supports this legislation.

Sincerely,
