“Our coalition has been a member of CADCA for 10 years, since our inception. CADCA and this membership have been invaluable to our success. Being a part of a national movement and having a voice on a national level is essential. Completing the CADCA Academy, attending the Mid-Year Training Institute and National Leadership Forum have provided the staff and volunteers with the information to run a successful coalition.”

—**Merilee Fowler**, MATFORCE Executive Director and CADCA Coalition Advisory Committee

“Drug Use Is Life Abuse’s membership in CADCA has proven to be invaluable over our tenure with this outstanding organization. CADCA has always provided up-to-date information on drug trends, assistance with knowledge to be sustainable as a coalition, and has had phenomenal staff that have been the catalyst for many of our successful programs and achievements. The National Leadership Forum always ranks at the top of conferences I attend on an annual basis.”
